A hand-drawn illustration of a flip chart on a stand. The flip chart is a large rectangle with a thick black border, tilted slightly to the right. It is mounted on a stand with four legs. The left leg is a single line, while the other three legs are double-lined. The text is written on the flip chart.

Foreword

It is with great pleasure that, we, the 1962 TAPS staff present your yearbook to you.

We have endeavored to capture and present the people, places, experiences and friendships that you have enjoyed during this time.

We sincerely hope that in future years this yearbook will bring back the most very pleasant memories.

Dedication

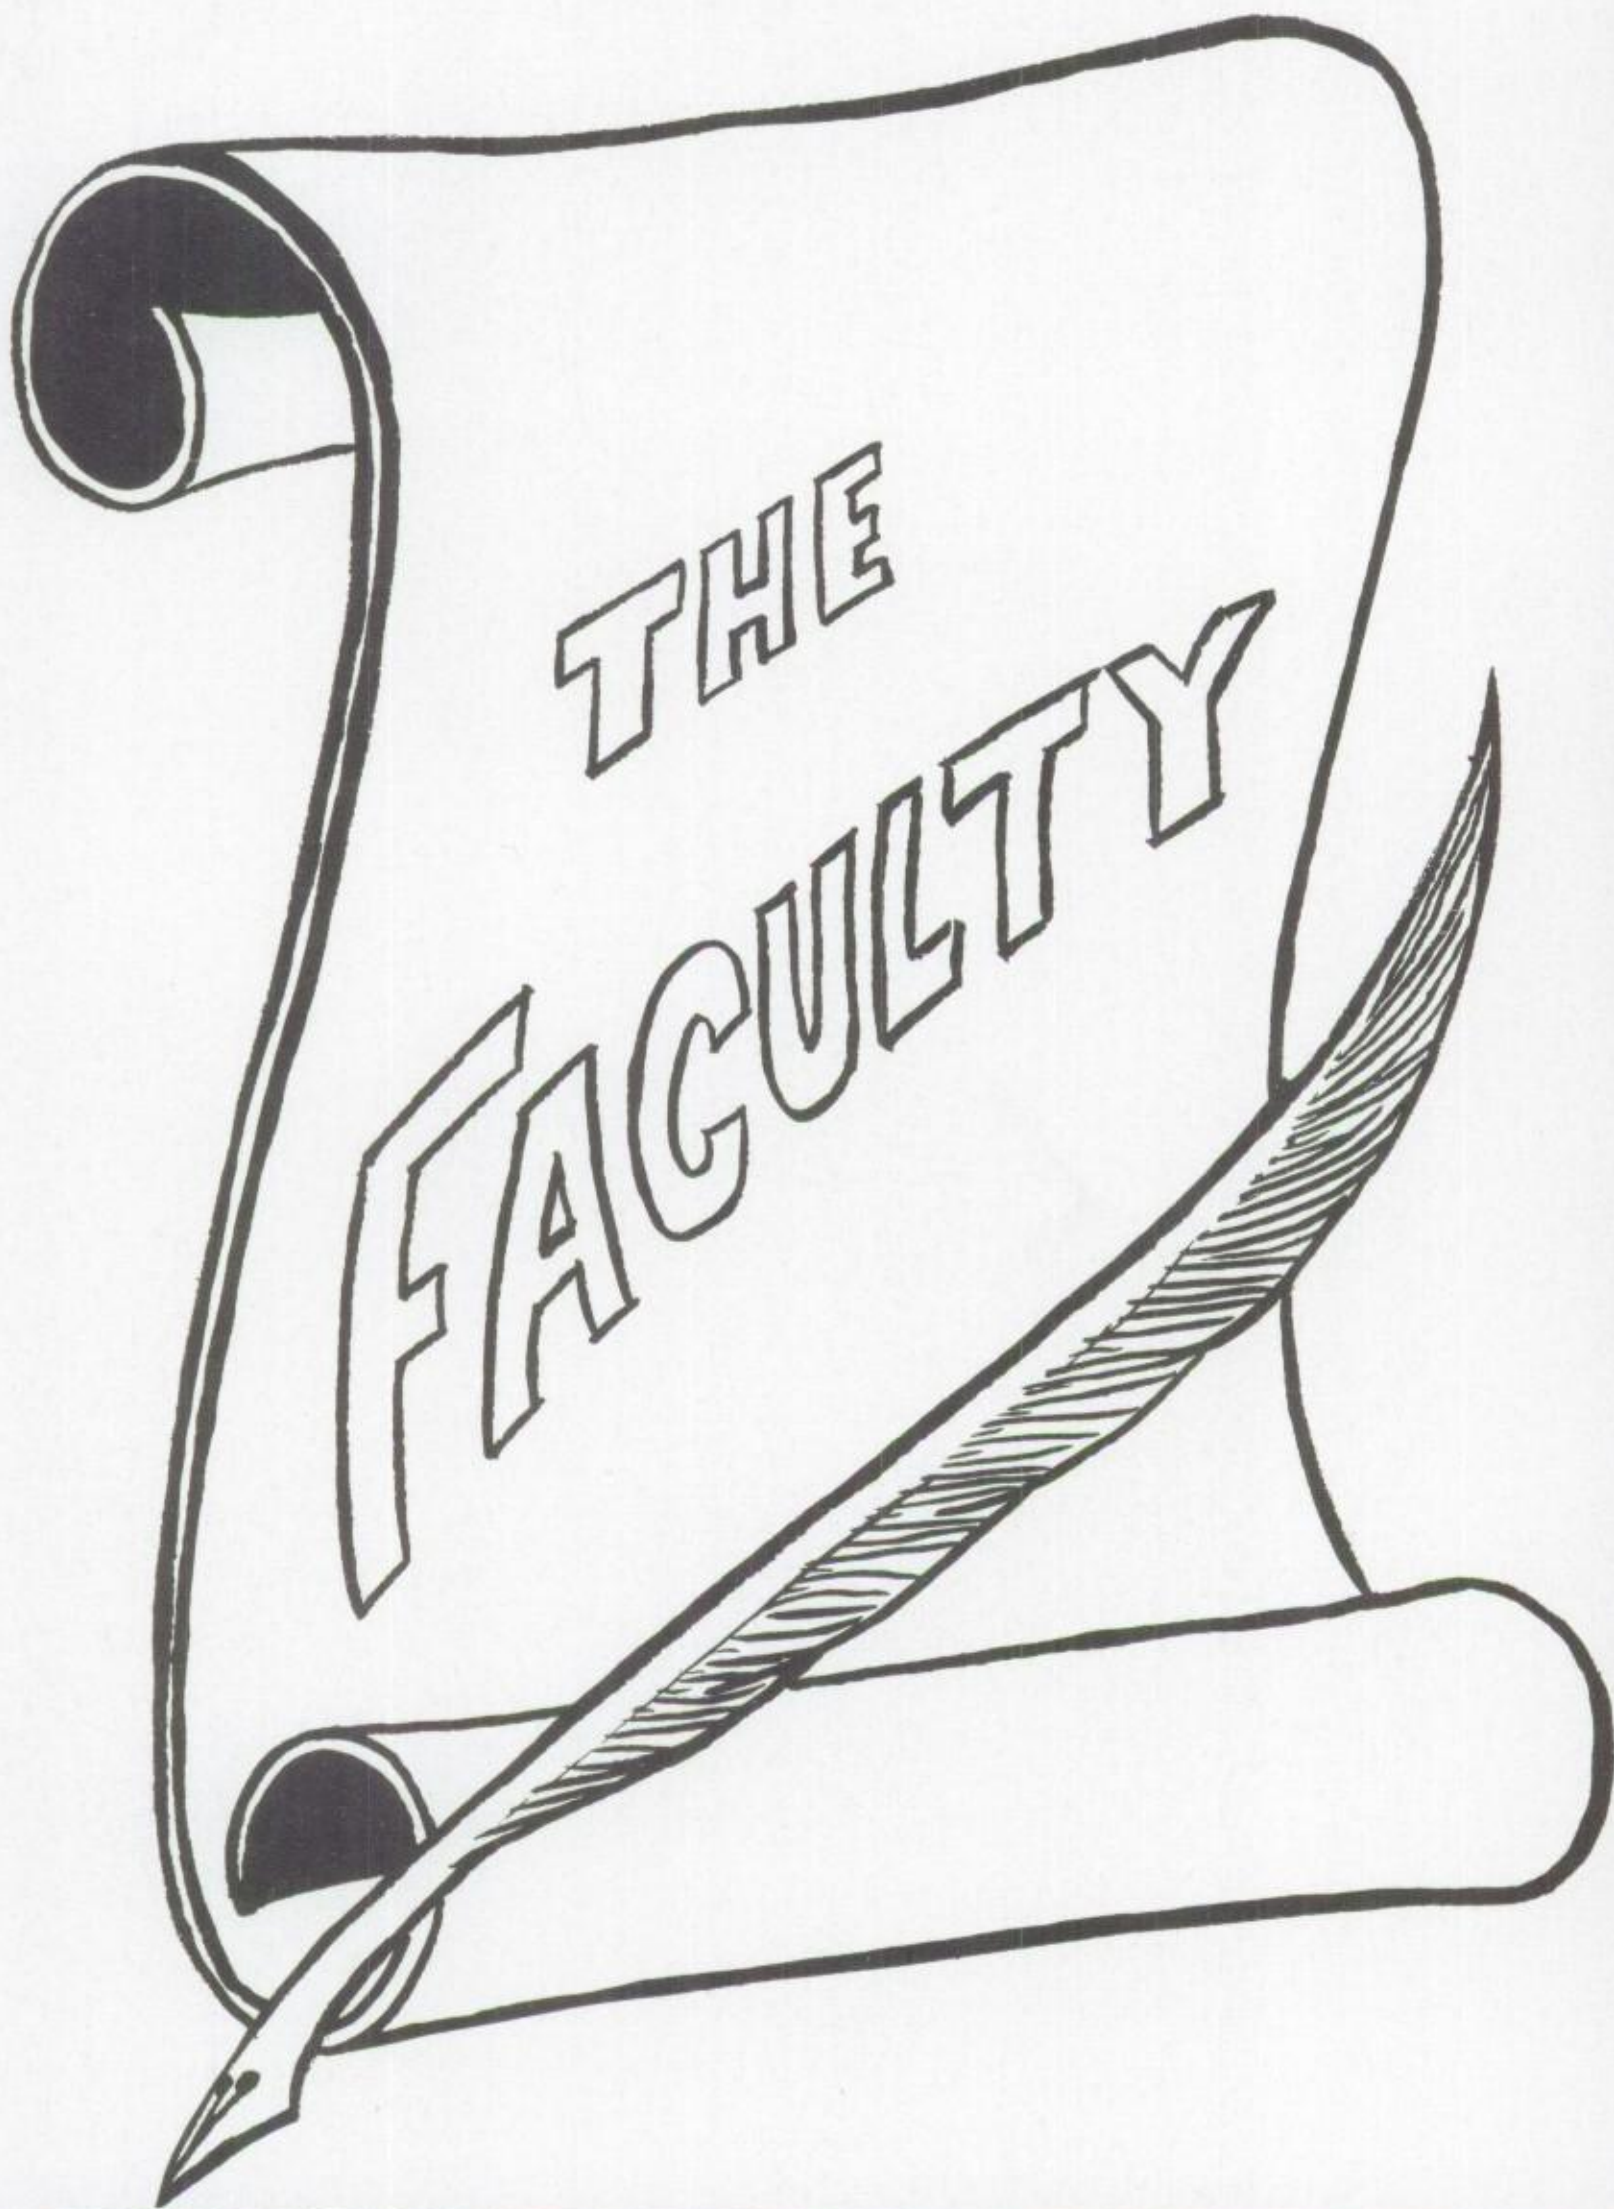

We, the class of 1962, take great pride in honoring a man who devotes himself to the welfare of the entire corps. His good nature, sincerity, and warm regard for each cadet will be felt by each one of us. We sincerely believe that from our association with this man we have gained the knowledge to face the cold realities of the future.

With utmost pride we hereby dedicate the 1962 TAPS to
LT. COL. EDWARD B. YOUNG, JR.

In Deep Appreciation

We, the members of the Senior Class, wish to express our gratitude to the faculty for all the knowledge we have gained during the past year. Some of us have been here longer than others, but we have gained the respect of each and every member of the faculty and will be indebted to them for the rest of our lives. The knowledge which we have acquired throughout our days in school will aid us in the fields which we endeavor to follow for a livelihood. Wherever we go and whatever we do we will remember Fishburne, its faculty, our Senior year, and our school motto . . . KNOWLEDGE IS POWER.
